

The Massachusetts Sibling Support Network is the only organization in Massachusetts that focuses exclusively on the needs of siblings of people with disabilities. We provide information on sibling issues across the sibling's lifespan, referrals to sibling services, resources for siblings, and social connections for siblings.

EDUCATIONAL PRESENTATIONS

NO SIBLING LEFT BEHIND

- Presentation is geared to parents of young children and teens, as well as professionals.
- The experience of growing up with a brother/sister with disabilities is addressed.
- Strategies and tips to support siblings are included.
- Current trends in sibling research and the growing sibling movement are reviewed.

FUTURE PLANNING IS A FAMILY AFFAIR

- Presentation is geared to adult siblings and professionals.
- How to effectively advocate for an adult brother/sister with disabilities is addressed.
- Legal and financial issues associated with caregiving is included.
- The importance of working together as a family to make a plan for future care is reviewed.
